Era una función muy simpática y todos se divertieron muchísimo.

Beauties

Miss Lou Ann Schick
5222 Goodwin Ave.
Dallas 6, Texas

Dear Miss Schick;

I received your letter and the photos of the contestants for your beauty contest several days ago and boy, what a tough job! To pick a winner when you have so many really attractive girls is really a difficult job. I finally made my choice though and hope that you will be pleased with my selection. I have, as you requested, put them in the order of my selection and had them marked as well so that there would not be a chance of their being mixed up.

I would like to have the names and addresses of the girls I have selected and a copy of their pictures, if possible. If there is any way of your sending me a copy of the book I would certainly like to have it. I would consider it a pleasure and a privilege to add it to my collection.

I have also enclosed an autographed photo of myself and hope that it meets with your approval.

Thank you again for extending to me the honor of judging your contest.

Sincerely,

Jimmy Clanton
